# MSDSonline.com Help Center

## Information:

- How to search the list of products in UCF's catalog
- How to search the MSDSonline catalog
- General help navigating the site in the Help Library
  - Handouts
  - Site User Guide
  - Site Tour

The screenshot shows the MSDSonline.com Help Center interface. At the top, there is a navigation bar with "Welcome, UCF", "Logout", "Edit Memory", and "Help Center" buttons. Below this is the University of Central Florida logo and the "Powered By MSDSonline®" logo. A search bar labeled "MSDS Search" is visible. The main content area is titled "Help Center" and contains several sections:

- [How to Search your Company List](#)
- [How to Search the MSDSonline Database](#)
- [How to Request Additional MSDSs](#)
- Help Library**

Show Chemicals by Location  
 Show Chemicals by 1st Letter  
 Show Blank Inventory/Bar Code #'s  
 Show Chemicals with Expiration Dates  
 Show Appendix A Chemicals

Appendix A listed Chemicals are highlighted in Tan.  
 Chemicals with Blank Inventory/Bar Code #'s are highlighted in Red.

Display 50 rows per page.

			MSDS		Inventory #	CAS #	Chemical Name	Total Containers	Total Qty.	Units	Vendor	Catalog #
Highlight	Select	Remove	<small>not on file</small>	<a href="#">MSDS Search</a>	0017113	71-43-2	BENZENE	1	1	Liters	Fisher Sci	B412

Display 50 rows per page.

Click the "MSDS Search" link in the same row as the chemical of interest.

# Using EHSA to retrieve a SDS

Clicking the “MSDS Search” link will open a Google search in a new window.

Click the link for the vendor’s website. You will be linked directly to the product that matches the product number entered into the inventory.

# Using EHSA to retrieve a SDS

The vendor's MSDS for the product will then open in your browser:

The screenshot shows a Mozilla Firefox browser window with the address bar displaying `https://fscimage.fishersci.com/msds/02610.htm`. The page content is a Material Safety Data Sheet for Benzene, with the following details:

**Material Safety Data Sheet**  
Benzene
