<b>TITLE:</b> Hazardous Waste Management Agreement	<b>Responsible Authority:</b> Environmental Management Coordinator	

This Agreement applies to all entities using space on the University of Central Florida (UCF) main and branch campuses, and in spaces leased or controlled by UCF off-campus (“Space”), including Business Incubator clients, Direct Support Organizations, and Contractors whose activities generate hazardous waste or other regulated waste. This Agreement defines the responsibilities of UCF and { } (“User”) regarding the generation, collection, transportation, and disposal of such wastes.

User generates hazardous waste or other regulated waste that UCF collects, transports, and manages through its Department of Environmental Health and Safety (EHS) pursuant to guidance provided by the U.S. Environmental Protection Agency (EPA) and the Florida Department of Environmental Protection (FDEP). Applicable regulations include but are not limited to 40 CFR 260; 40 CFR 261; 40 CFR 262.10; 40 CFR 262.11; 40 CFR 262.34; FAC 62-710; FAC 62-730 and; FAC 62-737

1. EHS is responsible for collecting regulated wastes directly from the site of generation or for arranging for collection through UCF waste vendors. Sites outside of areas permitted for collection under UCF’s EPA ID FLD 981856974 will be managed solely by the waste vendors and additional transportation charges may apply.
2. User is responsible for ensuring compliance with applicable regulations for wastes while such wastes are being generated, accumulated, or stored within the Space, until such time as EHS or the waste vendor takes possession of the waste.
3. EHS assumes responsibility for compliance with applicable regulations once the waste is loaded by EHS or the UCF waste vendor onto transportation equipment for removal from the area where waste is being accumulated or stored.
4. User is responsible for ensuring that it complies at all times with applicable EHS policies and procedures for preparing waste for collection such as labeling, overflow prevention, container selection and closure, security, inspection of storage areas, and maintaining containers free of outside contamination. These policies and procedures can be found on the EHS Web site at <http://www.ehs.ucf.edu/>.
5. User is responsible for reimbursing EHS for time, materials, and disposal costs associated with management of the regulated waste. Charges will be reflective of the current price agreements with UCF waste vendors. Prices are subject to

change whenever UCF enters new waste management agreements. Improperly characterized materials will incur additional charges.

6. User is responsible for emergency response fees, clean-up fees, or fines incurred due to improper collection, storage, or disposal while such wastes are being generated, accumulated, or stored in or around the Space.
7. A completed "Environmental Aspects Assessment of Leases Spaces" form, with any attachments, will be submitted to EHS prior to start of any work at the Space.
